Mystery of Lawrence Cull.

Despairing of ever finding his father alive, Lawrence F. Cull, son of Lawrence C. Cull, the Mission St real estate dealer, who disappeared several weeks ago, yesterday authorized a reward of $500 for the recovery of his parent's body. According to circulars which are being distributed, the real estate dealer has been traced to the upper part of Waddell creek in Santa Cruz county, where he had gone on a fishing excursion and where all trace of him was lost. His son has already conducted an exhaustive search along the banks of the stream where Cull had intended going, but without success. An automobile which carried three men into the region from which Cull is missing, and brought four out, lends an air of mystery to the case. Remains of a fire made by Cull were found near a mill in a ravine whose walls are so precipitous that it was impossible for him to get out of itwithout passing the mill Cull is said to be a much needed witness in one of the Ruef cases in San Francisco and that he has been kidnapped to prevent his being able to testify.

An Insulter Thrashed.

Sunday evening as some gentlemen and their wives were passing a corner down town, one of the ladies was seized by the arm by one of a number of Italians, and given a rough shaking. The party passed on a short distance when the men returned and asked the Italian why he grasped the lady. Upon his denial of the act the lady's husband struck him and gave him a severe beating, as he deserved. It is not likely that he will insult any ladies on the streets hereafter. All the Italians were strangers and apparently were from some place outside of town.

TAFT IS POPULAR

W H. Taft. the republican nominee for the presidency, is every where receiving outbursts of applause from the people. His election is assured, He has been tried and not found wanting. He has filled every office of trust with credit to himself and to the country. Here is President Roosevelt's estimate of Mr. Taft.

"I feel that the country is indeed to be congratulated upon the nomination of Mr. Taft. I have known him intimately for many years, and I have a peculiar feeling for him, because throughout 'that time we worked for the same object with the same purposes and ideals. I do not believe there could be found in all the country a man so well fitted to be president. He is not only absolutely fearless, absoultely disinterested and upright, but he has the widest acquaintance with the nation's needs, without and within, and the broadest sympathies with all our citizens. He would be as emphatically a president of th plain people as Lincoln, yet not Lincoln himself would be freer from the least taint of demagogy, the least tendency to arouse or appeal to class hatred of any kind. He has a peculiar and intimate knowledge of and sympathy with the needs of all our people—of the farmer, of the wage worker, of the business man, of the property owner.

No matter what a man's occupation, no matter what his creed, his color, or the section of the country from which he comes; if he is an honest, hard working manwho tries to do his duty toward his neighbor and toward the country, he can rest assured that he will have in Mr. Taft the most upright of representatives and the most fearless of champions. Mr. Taft stands against privilege and he stands pre-eminently for the broad pirncipals of American citizenship which lie at the foundation of our national well being.

Men may come and men may go, but the Republican party was born as thee champion of great principles, and this will be its mission as long as it is true to its origin and record.

Protection will be writ large in the Republican platform of 1908, as in its predecessors.

There will be no 4th of July celebration here, but parties have prepared to visit Santa Clara and San Bruno where there will be great doings. A number will go to La Honda and other points in the mountains where they can enjoy a picnic among the trees and flowers.

The Fourth of July celebration at San Bruno will undoubtedly be a success as everyone is working to that end. This is the first celebration of the kind ever given in that place and it should be attended by all in the county who can do so.

Redwood City Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statemnt of a Redwood City citizen:

Samuel Hall, living at 507 Stambaugh st., Redwood City, Cal., says: "I was troubled more or less for three or four years from a disordered condition of the kidneys. I did not suffer from backache, but an annoying symptom of a disordered condition of the kidney secretions, and I was forced to arise many times during the night on account of their too frequent action. Doan's Kidney Pills were brought to my attention, and deciding to give them a trial, I proceured a box at P. A. Ryan's Drug Store. I used them according to directions and the kidney secretions became normal and regular and the weakness disappeared. I heartily recommend Doan's Kidney Pills."

Fans Witness Good Game

Redwood lost the second game of the series of five to San Mateo on the local diamond Sunday. The largest crowd that ever turned out for a ball game in Redwood witnessed the game. Luck seemed to be against the local team again, as they had the game won several times, butt something always "happened" that San Mateo would tie the score. It took eleven innings of fast going to show that the San Mateo team was just a trifle luckier than Redwood, and the final score stood 10 to 8.

Features of the game were the phenominal pitching of Fred Barg for the local team. Barg was there a million, and had it on Freen of the visitors all the time. Sam Alwin of the All Redwood team did the hard hitting act, getting two three baggers, a two base hit, and a single, in four times at the bat. Heinie Jansen played a wonderful game on third. Freen, the San Mateo pitcher, made a home run hit in the first inning, but in his anxiety to get around the bags, forgot to go any where near first base, and was called out by Ed Heaney, who umpired like a professional.

Tomorrow the third game of the Redwood-San Mateo series will be played at San Mateo.

The All Redwood team played the Huskies last Sunday morning on the local diamond. The Huskies were beat 6 to 3.

Tomorroy afternoon the All Redwoods will play the Yosemites of San Francisco here. Game will be called at 2:30 sharp.

County Pioneers Lose a Member

Percival B. Jamieson, one of the oldest pioneers of this City, passed away at his home last Monday after a long illness. He came here with his parents from New Zealand in 1852. When they passed through Redwood City in that year on their way to Woodside there were but two wood choppers' cabins here. The family resided in Woodside for some years, young Jamieson attending the grammar school at that place. There were no railroads in those days and a stage ran from San Francisco to San Jose carrying passengers and the United States mail. The stage stopped at Five Points and Mr. Jamieson packed the mail from Dr. Tripp's store to the stage every day. He often told of the many hardships he encountered in winter in going the trail that lead from Woodside. On growing to manhood Mr. Jamieson went to San Francisco and learned the plumbers trade and after ward came to Redwood City and opened a shop and continued in active business until five years ago when he turned over the business to his son William Jamieson. Deceased was secretary of the San Mateo County Pioneers and served the City as marshall for two terms filling that position to the credit of himself and the town. Mr. Jamieson was a jovial man who had a kind word for every one and often made the burdens of others light by his cherry manner. Mr. Jamieson was a native of New Zealand aged 63 years. His family consisting of Harry William and Mrs. B. Stafford grew up around and survive him. Two brothers, John and Ebenezer Jamieson and a sister, Mrs. A. McDonald also survive, living in different parts of the state. The funeral Wednesday was under the auspices of Metamora Tribe of Redmen of which the deceased was a charter member. A number of pioneers and friends accompanied the cortege to Union cemetery where the interment took place.

From Pescadero and Vicinity

Mrs. James Reed is in very poor health but is mending slowly.

Automobilists are scooting down our main street continually lately, raising a halo of dust and scattering an incense of gasoline in generous profusion.

Mr. and Mrs. Dwyer are visiting in town with Mrs. Ward.

Mrs. Teague returned home on Thursday last after her visit in the city.

The Cherry party at Mr.Haywards on Saturday evening report a good time, with no casualities from swallowing the stones of the luscious fruit.

Mr. and Mrs. Carl Coburn returned home on Saturday from attending the funeral of Alonzo Coburn.

Mr. Charles Bradley is away seeking recuperation.

A good catch of trout is reported by some enthusiastic young fishermen of this neighborhood .

A large number of visitors were entertained at dinner at the Hotel Bradley on Sunday last.

Mrs. McClellan has returned to the city after an extended visit with her sisster, Mrs. Albion Weeks.

There was a good attendance at the lecture on Ben Hur given in the Methodist church on Tuesday evening last. Ice cream and cake was served after.

Mr. and Mrs. Chandler are in Paso Robles and not at the Gilroy Hot Springs as reported last week.

A gentleman was observed on Sunday last carrying an umbrella. Asked "Why?" He explained, "to keep off sunstroke.' As Father Sol has been somewhat sparing of his genial smiles of late the remark is supposed to be one against Father Sol.

What is a gopher? Pescaderoites define it as a pesky nuisance and a fruitful provocation of profanity. Steady farmers, horticulturalists and gradeners, let not the grubbing gopher "go fer" to make you too bluey blazing brimstony, give him the phosporous, the real thing and choke him out, but keepyourselves cool..

By the by tho, it should not be hard to keep cool seeing that on Monday night and early Tuesday sundry places hereabout, and doing morning Jack Frost was abroad, in sundry places hereabouts, and doing not a little mischief to the tomato vines and other tender vegetation.

An ice cream sale and social time was held on Friday evening last in the parlors of the Congregational church. There must be considerable hot blood in Pescadero seeing with what dispatch ice cream appears and disappears.

Amy Goffin Almira Williamson, Gladys Williamson graduated from the eighth grade of the Pescadero grammar school.

Happenings at San Carlos

The San Carlos Syndicate will have its water system installed about the first of the month. For the past three months a large number of men and teams have been grading the streets in the hills back of the town. The Syndicate expect lively sales of this choice property very soon.

Mrs. Josephine Phelps and her niece, Miss Florence McLean, and Mrs. Lord, who have been visitingall the big cities of the East and South for the past six months are expected to arrive home the latter part of July.

Ex-Governor Budd is out with a brand new Pierce-Arrow automobile. It arrived from the East Wednesday and is the highest price machine in the market. Mr. Budd is an auto enthusiast and frequently takes long spins.

The Peninsula Railroad people have been here this week looking over the right of way for the electric railroad. Work was stopped on the right of way when the money stringency took place last year. The fact that work has been resumed is encouraging. Engineer Schussler of the Spring Valley Water Company was in the party. It is pretty well conceded that the line will run on the Spring Valley property back of the pumping station. It was first intended that it would run along side the main tarcks of the Southern Pacific--.

Mrs. W. W. Hull, who has been quite ill for someweeks past will leave the first of the month for her summer home at Brookdale.

Mr and Mrs.. Kalenborn and their child will arrive here on July first from Seattle, Washington, topermanently reside. Mrs. Kalenborn is a daughter of Mr. and Mrs. C. D. Hayward. Her husband went north a year ago for M. G. Baum and Company to install the heating apparatus inconnection with a large electric light plant there and has completed the work. He willhavecharge of the San Francisco office for the Company. Mr. and Mrs. Kalenborn are graduates of Stanford.

Final Account in Seale Estate

In the estate of Thomas Seale, deceased, a final account has been filed by Alfred Seale and Mabel Seale, the executor and executrix. By the account, the value of the estate is shown to be over a quarter of a million dollars, the exact figures being $258, 125.79. Under the last will of the deceased, the property goes to the two children, Alfred and Mabel, inequal shares. The court is asked to distribute the property to the two children, accordingto the terms of the will.

The properties embrace the Seale homestead at Mayfield containing about 1500 acres, and also include subdivisions 1 and 2 of the Seale addition to the townofPalo Alto, land near San Gregorio,in this county.

By the application for a distribution of the property, it is shown that the entire estate was the seperate property of the decedent, and that the lands should be divided in equal shares between the two children. The estate is being probated in the superior court of Santa Clara County
